CAMPSITE/TEAM THEME IDEAS

Here are campsite themes from around the country!

Please note: While campsite themes are highly encouraged and a fun part of the Relay For Life experience, participating is optional. All decorations must be safe and need to fit within your allotted campsite area. In addition, they must be set up and removed by your team. Please do not leave behind any items that you have brought in to decorate your site. We must leave the field as we found it – spotless!
