

Relay for Life

Team Baskets

Basket Drawing: Each team is encouraged to put together a basket to be raffled off at the Relay.

Choose a theme and gather items. (*"apple theme": gift certificate to Applebee's, apple scented potpourri, apple cookbook...*)

Attach a paper stating: theme, team name and contact info (in case the winner wants to say thank you). Bring the basket to the Relay early on Saturday morning to be put on display with the others. Last year we raised over \$3,000. Please do not include alcohol or any products that can freeze or melt. Baskets must be claimed within 10 days (but preferably Saturday night or Sunday morning.) Contact for baskets is TBD but in meantime you can email Sue, Leslie or Shannon for more info.
