## New England Team Challenger Program

### **“Are you ready for the challenge?”**

As a team captain, committee member or participant of the event you are eligible to participate in the Team Challenger Program. Simply recruit a new team, complete the checklist below, fill out the form and return it to your local ACS staff partner. By participating in this Challenge you are helping to extend the reach of your Relay For Life event, spread the mission of the American Cancer Society and help raise additional funds for cancer awareness and life-saving research. For more information or details on what represents a new team, please visit with your local ACS staff partner.
